FOUR SPECIALTY COFFEE & BISTRO VLC ®

WELCOME TO OUR HOME

FOUR was built on one simple idea (:
Everyone deserves something delicious & nutritious, no matter their dietary preferences or allergies.

A nice place where local ingredients, delicious cups of coffee, matcha & genuine love for the craft come together to make you feel at home.
Attended by a bunch of nice people working here. :)

We're an international, bilingual, all-female team doing things our way by respecting ingredients, trusting the process, collaborating creatively, and caring about the little things
(because they're never really little)
& bringing genuine care into everything and you.

Proud to say we're 100% female led.

Everything on this menu is made in our own kitchen:
from our breads and pastries to our sauces, slow-cooked meats, and all the bits in between.

We work with locally sourced, seasonal ingredients whenever possible and partner with suppliers who share our commitment to quality, local community & sustainability.

Our oranges come straight from the Valencian fields &
every coffee is 100% Arabica specialty coffee from independent local roasters.
Thanks for being part of it.
We'll always be experimenting.

Love,
The bakers, brewers & makers at FOUR.
Happy munchin' :)
